Dear SRB Technologies (Canada) Inc.,

Thank you for your generous support of *The Gold Standard* 11<sup>th</sup> Annual Black & White Gala. This year marks a milestone in our event's history. To date, the Gala has raised over \$1,000,000 in support of improving comprehensive health care for local families.

As a sponsor, your gift demonstrates your commitment to improving health and wellness in our region by helping ensure that more than 100,000 people have access to state-of-the-art health care. We are heartened to know that our sponsors are committed to a brighter and healthier community.

Together we raised over \$90,000 that will be directly invested in the critical cause of advancing health care services in Renfrew County. The funds raised from this event will help support the Surgical Department Reconstruction Project and the addition of an Orthopaedics Program. With over 6,200 surgeries in the past year, these upgrades will help improve health care access for the thousands of families that the Pembroke Regional Hospital serves. It is inspiring to see what can be accomplished when our community pulls together!

Sincerely,

  
Mrs. Barbara Schoof, Chair
